APPLICATION FOR BLANKET NONFIRM TRANSMISSION SERVICE AGREEMENT

NYSEG – New York State Electric & Gas Corporation requests a blanket Service Agreement for Nonfirm Point-to-Point Transmission Service under the local open access transmission tariff of Vermont Electric Power Company. NYSEG is an investor-owned utility and, as such, is an Eligible Customer under the FERC definition of that term.

The NYSEG contacts for transmission service are Carl A. Taylor, Manager – Energy Trading (607) 762-7629; Tim Lynch, Lead Engineer 762-7352; and Chuck Howard, Senior Analyst 762-8629. The fax number is (607) 762-8753. The mailing address is:

NYSEG
Box 5224, Corporate Drive
Kirkwood Industrial Park
Binghamton, New York 13902-5224

Since this is a request for a blanket service agreement, Points of Receipt/ Delivery and the amounts of energy at each are dependent on the specific transaction. Start/stop dates and hours are also transaction specific. NYSEG desires the blanket service agreement to be effective as soon as reasonably possible, with an indefinite term. This is consistent with FERC policy and standard utility practice. Please direct questions to Chuck Howard (607) 762-8629 or cdhoward@nyseg.com.

Timothy J. Lynch, Lead Engineer
